

CONFIDENTIAL

Executive for Inspection & Security

16 July 1948

Chief, FBIB

25X1

1. It is requested that an exception to the provisions of Paragraph 2, a. of Administrative Instruction No. 10-2, dated 8 March 1948, be made in the case of  is an applicant for Maintenance Technician position at the East Coast Bureau, FBIB.

25X1

2.  mother-in-law and brother-in-law are residents of Cote St. Paul, Montreal, Canada and British citizens; and his cousin is a British subject residing in Ipswich, Suffolk, England. However, his services are urgently needed in this branch and it is believed that the above mentioned facts in themselves constitute no security risk from the standpoint of Foreign Broadcast Information Branch operations.

25X1

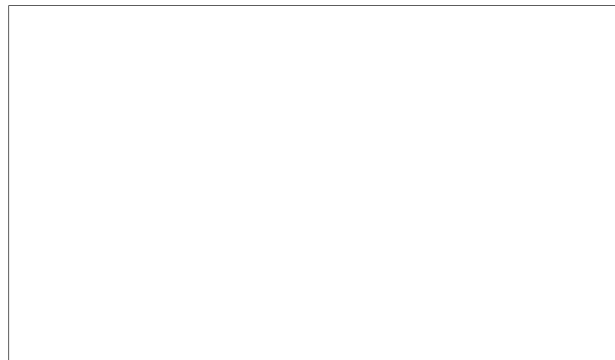

3. It is therefore recommended that unless more positive indications of unfitness are disclosed through investigation,   not be disqualified for appointment.
